Transport options

A wonderful way to see the Hauraki Gulf from air and sea is by taking a Fly / Cruise option. You choose which direction to fly and cruise in and we will make your bookings. We can also arrange for transfers between Auckland City and the airport.

You can choose to travel without a car. Take your bicycle or mountain bike or SeaLink can arrange for an island rental car to meet you at the wharf on arrival.

Alternatively you can be met by Island Shuttle Buses who will transfer you to your accommodation. Island Shuttle Buses also provide sightseeing options on the island and run a service to Port Fitzroy every day.

Please talk to the Sealink team for prices or more information about any of these transport options.
